Robert and George, we're assuming that you will send reporters to Jessica K at DOI as noted below.

Just confirmed we should send reporters to Jessica Kershaw at DOI for specific questions about the investigation. I've cc'd my other favorite Buckeye on this email for awareness and so you'll have her email address. Thanks! Melissa

Subject: DOI Gold King Investigation

Hey Robert,

Any update on the DOI's investigation at the Gold King Mine spill site? Do you know if there's a specific individual or bureau responsible for overseeing the investigation? Do you know what they're looking for or what information has been turned over by the EPA? I got the press release from yesterday but was hoping there might be some more information out there. I've already been in touch with the DOI so if the EPA has any further comment, let me know.

Thank you,

Jessica Corso
